

User guidelines

Envirobin Maxi

Cleaning Products should be flushed with clean water and then washed with a mild detergent solution using a bristle brush or sponge. Care should be taken not to apply undue pressure that may damage labels. Flush clean with water after washing.

Quality Standards All Leaffield Environmental products are certificated to BS EN ISO

Tools

LEAFIELD Key

PPE Always wear appropriate PPE equipment and follow safety guidelines.

Tools Plastic key as supplied

Lift door to open.

Pull the sack frame forward

Please Note: Leaffield does not operate a refuse collection system. This must be arranged by the customer.

Fitting a bag

To fit a new plastic bin liner, pass the bag up through the top of the sack frame. Stretching the bag down over the top of the sack frame bar. Lower the sack retention bars back into position which will grip the bag into place.

Push the sack frame back into position.

Slam door to shut.
