

Rustico

Rustico Water Butt

The 3P Rustico water butt is a very popular design that will fit in any garden. This water butt is made to a superb standard with its walnut wood effect finish and made of polyethylene it is sure to last for years to come. The Rustico features a lid, with a child safety lock, which allows dunking with a watering can. The Rustico is supplied with a white plastic tap and hole cutter to enable a tap to be fitted, if required. Realistic detailed lid with child safety lock.
